

PESA 2016 EVENTS

[Emerging Leaders Executive Leadership & Coaching Seminar](#) | January 20, 2016

The 2016 PESA Executive Leadership Program is a multi-faceted professional development exercise exposing participants to executive coaching through one-on-one sessions with an executive coach, personal & behavioral assessments and mentorship. A certificate of completion is awarded after program requirements are met.

Westin Galleria, Houston, TX

[Foreign Service Officer Training Program Membership Luncheon](#) | February 11, 2016

For the past 22 years, PESA has co-sponsored the Foreign Service Officer Energy Industry Training Session with the U.S. Departments of State, Energy, and Commerce. Meet and network with global energy influencers in the FSO community over lunch with a keynote speaker.

Houston, TX

[Supply Chain Management Seminar](#) | February 25, 2016

Current market conditions have forced supply chains across the energy industry to become more optimized. 2016's Supply Chain Seminar will give service and supply companies executive-level knowledge to better work with customers to drive value across the supply chain.

J.W. Marriott, Houston, TX

[Explorers of Houston Golf Tournament](#) | March 3, 2016

Proceeds from the annual golf tournament support PESA's annual contributions to the IPAA/PESA Energy Education Center, the Offshore Energy Center in Galveston, and the NEED (National Energy Education Development) program.

Golf Club of Houston, Houston, TX

[Legal Seminar](#) | March 2016

With more merger and acquisition activity in the oilfield service and supply sector on the horizon, the 2016 PESA Legal Seminar will focus on the financial, operational and legal implications and concerns of companies involved in M&A or watching from the sideline.

Houston, TX

[2016 PESA Annual Meeting](#) | April 6-8, 2016

The Annual Meeting provides opportunities to engage with customer company executives and industry peers in an intimate environment. Targeted industry themes are analyzed and discussed at daily business sessions, sporting and social events.

The Grand Del Mar, San Diego, California

[2016 Washington Fly-In](#) | May 22-25 2016

Join PESA members on Capitol Hill to engage with policymakers and influencers about the important role the oilfield service, supply, and manufacturing sector plays in energy development, the nation's economic future, and innovation.

The Hay-Adams Hotel with Meetings on Capitol Hill, Washington, D.C.

[HR Roundtables](#) | Bi-Monthly

The Human Resources Committee plans bi-monthly roundtable events to provide information to PESA member companies on the various HR trends affecting HR departments and hiring practices.

Texas A&M Mays Business School at CityCentre, Houston, TX

PESA as a **Resource**

The Petroleum Equipment & Services Association (PESA) represents the growing and evolving voice of the oilfield service, supply and manufacturing sector.

Through innovative programming, events, and educational opportunities, PESA is leading the energy industry!
