

2023

Sponsorship Opportunities

Annual Events | Executive Training Programs
Conferences | Strategic Partner

As the go-to resource for the energy technology and services sector, Energy Workforce & Technology Council conducts widely-recognized trainings, seminars and networking events.

Sponsoring any of these programs will provide exposure to key customers and the opportunity to connect with other energy professionals, showcasing your corporate presence. Company recognition includes:

- Corporate logos with links on the event page and in email announcements
- Corporate presence on event signage
- Social media highlights
- Post-event news articles

Sponsorship packages are available for event types at a variety of levels, and many levels include registrations.

Your support helps Energy Workforce provide more than 150 meetings and events over the course of the year.

BUDGET FOR YOUR 2023 SPONSORSHIPS TODAY

Fill out the form in this document or request an invoice in 2022 by contacting Molly Determan, COO, at mdeterman@energyworkforce.org.

2023 SPONSORSHIP OPPORTUNITIES

SUMMER

SAFETY & TECHNICAL CONFERENCE

Energy Workforce's annual Safety and Technical Conference will be in the Houston area. Focusing on current topics in Safety, as well as Annual Safety Awards, the conference also covers technical issues in Well Servicing and Well Stimulation. The event will also feature exclusive networking opportunities, a political luncheon and more.
