Industry Partner
Application

Industry Partner **Membership**

WHAT IS AN INDUSTRY PARTNER MEMBERSHIP?

Any person, partnership, association, corporation, or distinct and separate operating unit thereof (having separate offices, management, plants, or stores, and personnel), whose business during the applicant's preceding accounting year was more than fifty percent (50%) by dollar sales volume that of upstream or midstream activities in the oil and gas sector shall be eligible for membership in the Association as an Industry Partner. A candidate company must also have the endorsement of two Energy Workforce Directors.

BECOMING A MEMBER

Joining Energy Workforce as an Industry Partner can be done in two easy steps:

1. Confirm your company is eligible for membership:
To be eligible for Industry Partner Membership status, a company or individual must qualify as stated above. This membership is \$15,000 annually.
2. Find two members of the Energy Workforce Board of Directors and Advisory Board to write a letter of recommendation on your behalf. A list of current board members can be found by visiting our website.
3. Complete and send this application to:

Houston, TX 77024

The 1993 Budget Reconciliation Act included a provision that makes the portion of association dues allocated to government relations non-deductible. EWTC has elected to make a payment in lieu of taxes that permits EWTC members to fully deduct dues as a business expense.

Membership Application

To Whom it May Concern,

The undersigned* hereby applies for membership in the Energy Workforce & Technology Council, in accordance with the provisions of such Council's bylaws.

We are submitting the information about the nature of our business, as requested. We are of the opinion that our firm qualifies for industry partner membership in Energy Workforce, and we have requested two letters of recommendation from Directors of the Council as references.
